**Class** Grand Opening  
**Routine Title:** Dancing in the Street  
**Choreographer/Teacher:** Ami Yaro

*\*Please label all costumes/shoes/tights/etc. with the dancer's name – everyone's look exactly the same and a name goes a long way toward keeping things from getting mixed up!*

**Shoes:** SoDanca JZ 75-L in Suntan

**Tights:** So Danca TS81 or TS82 in caramel

**Hair:** Center part, low bun. Do the hair wet and use gel and hairspray to slick back stray hairs or wisps. Use a hairnet and hairpins both the color of your dancer's hair to secure the bun.

**Makeup** Think natural colors but apply much darker than street makeup to help the dancer's features really stand out under the harsh stage lights. Please use **all** of the following types of makeup to create a complete stage look: foundation to match the dancer's skin, blush to compliment the dancer's own skin tone, black WATERPROOF eyeliner and mascara. Eye shadow colors should be in earthy colored tones dark enough to make the eyes pop (but no blue eye shadow). Lipstick color should be a deep plum/reddish purple/burgundy color- no fire engine red. Be sure to finish your dancer's makeup with an application of face powder. Powder helps set the makeup, keeping it in place and looking fresher longer. No fingernail polish!

**Costume description:** Sparkly purple leotards

**Costume Instructions:** The headpiece should be pinned in very securely with the gemstone at the center of the forehead, middle chain running down the center part of the hair and then loops on each side of head.
